System Requirements For Maple Reader:

Description: is a remake of a 1984's arcade game Missile Master. It has been developed by German company Intenso, who also made Diddy Kong Racing and Wreckateer and also provide Game Design, Programming and Art services to many video game companies. The gameplay is similar to the original, but with a few changes. The player will play as a squadron of missiles launched against an enemy base and destroy it by scoring the highest number of points by hitting the enemy base. Once the enemy base is destroyed, the base will turn into an enemy
