A VAST WORLD FULL OF EXCITEMENT A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. CREATE YOUR OWN CHARACTER In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. AN EPIC DRAMA BORN FROM A MYTH A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. UNIQUE ONLINE PLAY THAT LOOSELY CONNECTS YOU TO OTHERS In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. DESIGNED BY KOTOR RADICAL The game was designed by KOTOR Radical, a development team staffed by elite developers from KOTOR. The fan favorite from the original games is brought back to life. WHAT'S NEXT? The game is available for pre-order in a variety of packages, as well as standard release. They will also be available in the official store at launch. Features Key:

Unique Fantasy Action RPG Gameplay - The game combines a persistent online connection with a highly detailed and exciting virtual game space, all of which are seamlessly combined.

A Fast-Paced Combat System with Variety - The action takes place in real-time, and you can interact with characters that appear from the rifts at any moment, allowing you to feel the thrill of full-scale action. You can get a boost from your allies or not only attack enemies with your main weapon, but also use other magic that supports the fight; you can also go on a distracting rampage while warding off an enemy.

- Increased Customizability of Character Gear - With the increased customization of your character and character gear, you can freely combine equipment to develop a character that suits your play style.
- Huge Environments with 3D Artwork - A world with a vast amount of variety in both the fields and dungeons that you will explore. The fields include a variety of different locations such as a town, a small village or a mountainous area. Meanwhile, the dungeons are thrilling places where the monsters surprise you in the darkness. You will also find enemies such as Humans and Orcs that stand in your way to the Pact-slaying.
- An Online Space That Covers Shared Stories - You can freely use the online space anytime and anywhere. You can join a fight after meeting an alliance player, or you can interact with players who have not agreed to a set ruleset. In addition to all of this, you can share your own stories. You can share a news item that users will see and interact with your story, and share an NPC that you found and whom people will talk with, thus alleviating stress by sharing content. By interacting with NPC partners at the destinations, you can then travel, and going on an event together is just an afterthought.

A commentator praised the story, gameplay, and characters of Elden Ring. The game looks fantastic and the character design is simple yet highly detailed. The number of developers is growing with each release. I enjoyed the style and charm of Elden Ring, and would recommend it. A commentator praised the story, gameplay, and characters of Elden Ring. I never played an online RPG before, but here I am, playing Elden Ring. It's a whole new experience for me, and I really appreciate how the game has drastically changed my expectations for online gameplay. This game is really fun, and I'm not even regretting that I haven't bought it yet! A commentator praised the story, gameplay, and characters of Elden Ring. The character design is pretty good! The story is good, and I like the writing, the story, and the gameplay. There are lots of people waiting for this game. It's simple, but this is a good change, and an excellent game. A commentator praised the story, gameplay, and characters of Elden Ring. I just finished playing Elden Ring! The story's pretty interesting, the gameplay is fun, and the characters and art are lovely. Everyone should try it! A commentator praised the story, gameplay, and characters of Elden Ring. This game is hilarious! I enjoyed it! It's a rather enjoyable action-adventure game that also does well in terms of how the game's mechanics interact with the story. A commentator praised the story, gameplay, and characters of Elden Ring. You can easily connect the online mode with the local mode, and the two modes' features are really different, so playing with friends is fun and rewarding. The gameplay is somewhat reminiscent of the Dragon Quest series but has an incredibly different style. I'm looking forward to the future of this game and greatly recommend it! A commentator praised the story, gameplay, and characters of Elden Ring. Elden Ring is a game that can be enjoyed on the spot, and it's just as good as the first. It's a game that I can recommend. A commentator praised the story, gameplay, and characters of Elden Ring. Elden Ring is an incredible game! I really enjoyed playing this game! It's unique, the battle system is satisfying, and the gameplay is interesting. It bff6bb2d33
