What did that character say? What will we call him if it's our turn to take the role of the Demon King? Experience a wide variety of battles and adventures in this brand new fantasy action RPG from the makers of Heroes of the Fallen Lands! Description: ♦An Epic World Filled with Excitement♦ The world of the Lands Between is an expansive, open, and absolutely gorgeous one in which a variety of lands, including the Grand Duel Arena, the battlegrounds of countless castles, and the mysterious caves, are seamlessly connected. As you set out on your journey through the region, a myriad of dungeons, one of which you will be competing to enter in the Grand Tournament of Heroes, are revealed. A vast world that allows you to freely visit the various lands and experience a variety of unique content. ♦Create Your Own Character♦ A combination of RPG and action game, CELED can be played from the second you start a new adventure. For instance, you can train your character in combat, and develop your strength and magic to improve your battle prowess. Or you can focus on tactics and improve your character's skills. A vast world is filled with potential and allows you to personalize your character's appearance and equipment. ♦A Drama Where Your Thoughts Intersect♦ An episode-based story of political intrigue set in the Lands Between as the "tyrants" in the region and the "heroes" face off in the Grand Duel Arena. The various thoughts of the characters, including their motives, thoughts, and ideas, cross paths, and a drama where the various characters' actions intersect unfolds before your eyes. ♦An Awesome Multiplayer Experience♦ The action RPG CELED is a unique multiplayer game where you can experience the adventures of other heroes in the world of the Lands Between! With others in your party, you can fight monsters together as you explore the region and discover new content. PVP battles can also be engaged with others! ♦The Online Asynchronous Multiplayer Experience♦ In addition to multiplayer, where you can connect with other heroes in the same world and travel together, the game supports a unique asynchronous online element. With other heroes in the same world as you, and different stages of the story ahead,

Main Character: • Encounters Set Routes that Connect to Others: Encountering other players while traveling through, or after completing a mission. • Dynamic Characters with Unique Playstyles: The characters you encounter can vary according to which route you chose, but rather than thinking about what route you'll encounter, you can just quickly set a route and enjoy the trip. • A Friendly and Fun Travelogue: In addition to highly dynamic battles with other players, the game also features a very addictive story that makes you want to keep on playing. BATTLE : Battle Adventure • Different Game Modes: Both PvE and PvP modes are available. In PvP mode, you can seamlessly connect with other players in synchronous online play to travel and fight together. • Classic Versus to An Online Battle Royale: A battle system that allows two teams to simultaneously play together. Your attacks are performed based on the character you choose, allowing you to enjoy the intense feeling of holding your own in battles. • Realistic Action System: Implementing a new two-dimensional action system, the players can easily enjoy the sophisticated action of a unique system for combat. • Traps that Lead to Surprise: In addition to standard traps, you can create and place traps that can be used for surprise attacks. In addition to the above, the game's content has been expanded in various ways. Shacks: • Content that allows you to completely clear a dungeon: Escape from the dungeon to a hill-top camp surrounded by buildings. You can also construct a factory and set up a building inside the camp. • Stationary Shacks that Summon NPC Monsters: Transform NPCs who are out roaming, and gather several strong NPCs around your shack. This will make it easier to deal with gigantic, hard-to-kill monsters while you focus on other things. Dark Character Options: • Hiding Character Shadows You can hide the shadowy image of your character on the other side of objects such as trees. • Advanced Input for Characters You can freely switch to the first and second person, and can freely switch between the new and existing items. • A variety of Skills in addition to Attack and Magic: Smash through enemies with all your might by acquiring skills to unleash destructive attacks, or perform magic to charm them with your mind. • A variety of Traps in addition to standard traps: A variety of traps will

An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. * A Vast World Full of Excitement * An Epic Drama Born from a Myth * A Multilayered Story Told in Fragments * A Unique Online Play that Loosely Connects You to Others It was a time like no other. The lands were covered in ice, and the lands were blazing. In those times, the lands were on the verge of destruction... it was a time where some of the mightiest warriors in history strove to protect the lands and beasts.

Thats not too bad, the art is a bit odd really. I think part of the problem though is the backgrounds that are the same colour throughout the whole canvas are a bit mismatched, so the ground is just slightly mismatched to the sky. 1/2 the time I nearly thought there was an ad for an iphone game.

They're from the Doom beta era. It was a time like no other. The lands were covered in ice, and the lands were blazing. In those times,

Features:

- **The Land of Tarnished Dreams**

The Land of Tarnished Dreams is a fantasy world with a depth and richness not seen in other MMO games. The land is full of opportunities to see the ground, trees and even the sky. The land and environment around you are all important factors to have an individual story, so learn to live within those limits.

- **High-speed Bandit Escalation**

In this fantasy land, the people of each city are divided into Bandits and Lawbreakers. In order to achieve great fame, you must slay the bandits roaming the land. Your goal is to become a Legend to the townsfolk and to add to your fame, you must challenge the Bandits one by one.

- **Great Mobile Battles**

As long as you have the mobile phone with you, you can participate in battles involving tens of enemies anywhere in the world.

- **The Dungeon of Climb**

The only way to gather the Neos Gold or Secret Items you collected is to overcome the Dungeons, the secret base for jumpers. The structure is different from the dungeons you have already seen - more diverse in content and design.

- **Social Battles**

With direct display in the LAN battle area, you can easily display your status and chat with your friends.

- **Including the Mars Expedition System in NPC Battle**

The Mars Expedition System is one of the special features in the mobile survival game. The leader of Mars Expedition collects idols and gives the Neos Gold to the players who perform special crimes. You can obtain Neos Gold via the Expedition Park. By collecting the Neos, you will be able to acquire Rare Nobles.

- **Game Mechanics that Build an Earnable Online Environment**

A vast and responsive game that provides a very rewarding experience. You can make a
