L2Phx 3.4.1.82 - Lineage 2 Hack - TastyTeo Serial Key. How to improve the map and avoid crashes. Reduced the amount of guards as they do not provide a stable base. The track line (yellow) is now drawn in front of the white line (blue). The older version had them side by side, which created a strange-looking bug at the bend. Added a warning for vehicles with a steering wheel and a warning for passengers. During the vehicle refueling, there will be a warning if there are. Added API access to the Network-Communication-Servers, including the Service-Requests. Simplified the handling of the line
