LDW is a new fantasy action RPG by TRIACLUB where players can wield powers of the Elden Ring. • Rise and be a Tarnished Lord Lose your way in a world filled with dark secrets. An evil power known as the Undead King uses Chaos creatures to wage a rebellion against the Lands Between and its people, and it has learned of the existence of the Elden Ring. You have to protect the Lands Between and the people from the Undead King. In LDW, players can freely develop and customize their characters' appearance, and equip weapons, armor, and spells that they find in the game world. As they progress in the game, players can challenge and receive rewards from different enemies and bosses. Due to the online elements, players can also encounter other players and join their party to travel together. TRIAL SOFTWARE GitHub account: Read the dev blog: Official Website: LDW is FREE to play. To avoid any kind of stress, LDW will never ask for in-app purchases or push notifications. ACCOUNT OPTIONS LDW is a fantasy RPG in an open world that will naturally take a lot of time and effort to complete in a short period of time. Downloads: 978-7-8517-6380-6 [620KB] ISBN: 978-7-8517-6380-6 Play a unique online RPG game that allows you to travel with other players, from all around the world, and experience the whole thing together. Gameplay The game uses a massively multiplayer online role playing game (MMORPG) system with a partial asynchronous online element. * An easy-to-understand control method. You can freely use various hotkeys including mouse, keyboard and gamepad. You can also freely move your character with WASD and mouse, and can move left, right, up, and down with your key assignments. You can also use the left and right mouse buttons to quickly jump to nearby locations. To move diagonally you can use the A key or Q key, with up and down movements by holding A and using Z or M, and to move to new places and to stand up, use the B and C keys. From the start, you can play the game with the gamepad, mouse, or keyboard. * The elements of strategy and RPG The control method is similar to a strategy game, and the action is turned based. The RPG elements let the player partake in quests, battle, and enjoy the game. While the game is a real time RPG, you can select what you want to spend your time doing. For example, if your character has low health you can focus on fighting, but if the enemy has high HP you can focus on escaping. * Various maps, characters, and enemies There are plenty of original characters such as the Elder King, Necroflux, Orph, Gulguru, Gurush, Kuhak, and others. You can use them for quests and to enhance the power of your character. The environment is strongly three-dimensional, and there are many different types of enemies, including the Basher, Ogre, Dryad, Dr.Gantube, Zamorak, and many others. There are also many different maps for battle. * Your character can change Your main character's appearance is completely customizable. You can change all the various elements of your character,
