One of the effects of raw natural food is that it has a positive cleanse effect upon all aspects of the body, but the way we presently live our lives so far above nature will change this state and throw us into a world of over-refined, fast foods, artificial drinks and countless sugar sprinkled sweets. Have you ever tried to identify a car that didn't belong on the road, a smell that made you cringe when you were on a boat or a dog that just loved to walk in the park? If you answered yes to any of these questions, then you probably understood that there is a whole
