

## Producers Vault Salsa Beats MULTIFORMAT -13

Future Loops is a loop house that has worked with musicians from all over the world, from top chart topping artists, to underground artists. With our experience, we've helped many producers and artists to fulfill their musical visions. We offer the highest quality loops, beats, and samples, and we work with the best musicians in the music industry to deliver to our customers exactly what they want in a loop, or a beat. The world of Latin hip-hop and reggaeton continues to grow and expand and when we compiled this producer pack we wanted to give producers, DJs and remixers a comprehensive sampler of latins urban styles and genres. All these samples have been carefully created for mixing, mastering, looping and sequencing and they all come inside the sample folders as Wav format or you can choose the ACID or REX2 format for even better quality So if you need to make some new Latin Urban or reggaeton production use this highly versatile set of sounds and loops. We selected all these sounds after countless hours trying to find the best and the most modern latins sounds for producers, producers and DJ's alike, we hope you will enjoy the results of this immense search and will have the ability to create, develop and implement your own latin urban/reggae styles in no time. As usual, we have included a massive range of samples and vocals both in a folder and in individual instrument stems so that you can easily mix, mix and tweak until the perfect results are achieved. The Loops All the sample folders are sorted into folders for drums, melodic hooks, percussion, guitars, vocals and all in all, we can say this packs a massive amount of samples across the board for latin urban /reggae production genres. So whether you are looking for Cumbia, Reggaeton, Urban, Tropical, House, Dance or any other style you will find all the perfect sounds you could need to create your own latin urban fusion style. We have organized the samples into folders for drums, bass, synths, orchestral, hi-hats, percussion, guitars, vocals and all in all we feel this producer pack is the most comprehensive thing weve ever put together for latin urban producers.
