virtual instrument brings the same great
sound and intuitive workflow that made
ez drummer a staple to the world of bass
guitar. far more than a virtual instrument,
ez bass offers amazing sound quality and
fundamental features that let you add
realistic bass tracks to your songs with
minimal effort. you can choose between
vintage and modern tones and let ez bass
instantly build you a bass line, convert
pre-recorded guitar, piano, and drums to
midi, or input your bass line with a
keyboard controller. with toontracks
virtual pianist ez keys, you dont have to
be a world-class pianist to look like one.
ez keys lets you add the right, painless
piano style to the perfect key to your
music. it gives you the same kind of
simple user interface that made
ez drummer a success, plus a beautifully
integrated virtual instrument from
