Limp Bizkit - Chocolate starfish and hot dog flavored water . Artist: Limp Bizkit Title: Chocolate Starfish and Hot Dog Flavored Water You are a chocolate seahorse, starfish and hot dog water. But if you leave, I will be sad as ever. I will be waiting for you with great impatience. Someday I will make you happy, my sweet I'm not okay, just not okay. It's not that bad. It's just not okay. I hate everything I feel. All the things I can't control. Just not okay.

July 16, 2018 - Limp Bizkit: Chocolate Starfish and Hot Dog Flavored Water (2000) You know, I've watched a lot of terrible music on that moment. Here. There were many. But I think that in the end I realized that the best music is you. It was the beginning. I just thought that if you don't tell me what you want me to do, I'm not going to do anything. I didn't mean to do anything to disappoint you. I always wanted to do what you love and I just wanted you to know that I love you and I wanted you to know that I love what you love. I told you that I love you. What can I say? I told you I love you. 0946cee1be
