Pro Tools HD is an advanced digital audio. out there, so I'm really excited about working with them. And I'm looking forward to, what they call, the 'Lost And Found.' So we're looking forward to that. And for the rest of the season." "When I came on a second time, I was expecting to get behind the scenes. So, I didn't know what was going to happen, but that was actually the coolest part, was to kind of get a glimpse of how a show is filmed. Not only, like in the pilot, seeing the footage from the beginning and kind of seeing what you go through on a show." "The cast and crew were really polite and friendly and super nice. They were really happy to meet me, and they were really cool. So I'm very happy with all of it. So, it's kind of an honor to be on a show like that and to do it a second time and to have my own scene on a show. So, I'm happy and it's an honor and I thank them for their trust in me." "I had no idea that they were doing this scene again. They didn't tell me about it until they actually showed me some footage of it. So I was kind of surprised, but it's really good for me to be on a show that has such a good reputation, and I wanted to have that big television moment. So, it's really good for me to be on. I'm looking forward to the rest of the season." "I think that it's awesome that's had the success it's had. And I think that it's awesome that the people can talk about it and go 'Oh, I love this, I love that, I love that.' So I think it's cool that people can relate to and love a show that I did, that I love. So I'm glad that it's happened." "I've been a fan of the show
